AMAN SHARMA

928-951-1646
aman.sharmarx@gmail.com
asharmarx.github.io

SKILLS

Programming
Python | SQL | React Native

Continuous Integration
Git, Jira

Linux
Shell Script/Command Line

3D Modeling
SolidWorks

Modeling and Estimation
System Modeling, Matlab/Simulink, PID Controller

Design
Photoshop

Platforms
Linux, OSX, Windows

EDUCATION

2016 - 2017

MECHATRONICS AND ROBOTICS

Aalto University

Thesis: System Identification of a Drone Platform

2015 - 2017

SPACE SCIENCE AND TECHNOLOGY / MSc.

Lulea University of Technology

2010 - 2015

ASTRONAUTICAL ENGINEERING / BSc.

Arizona State University

EXPERIENCE

05/2019 - Present

AUTOMATION ENGINEER

New Classrooms

Write scripts/apps for testing and monitoring purposes
Automate current manual testing plans

03/2019 - Present

Co-Founder & COO SalonPerk

SalonPerk

Subscription based service for salons and spas

02/2017 - 10/2017

GRADUATE RESEARCH ASSITANT

Aalto University School of Automation

Researched the system dynamics of various drones
Researched and reported on computer vision algorithms
Created an accurate system model for stable flight using MPC

06/2016 - 08/2016

FLIGHT SOFTWARE ENGINEER INTERN

Bitcraze AB

Researched state estimation methods for nano-quadcopters
Converted a MATLAB library in to Python that allowed autonomous flight
